

ES&BG Parish Council newsletter - July 2018

Reading this in September, the July meeting of the parish council on the evening of the fateful World Cup semi-final seems a very long time ago. Despite the distraction a lot of business was completed.

The parish plans for the commemoration of the First World War Armistice in November are coming together. The War Memorial has been cleaned in readiness and we will let you know the details of events as they are finalised.

The Parish Council is now on Facebook. Please sign up to find out what is happening and do send us your photos of parish events you would like to share.

Much has happened in the parish this spring and summer to improve our footpaths. Volunteers have worked with Hampshire County Council Countryside Service Rangers on several projects. Overgrown footpaths have been re-opened and bridges and steps have been replaced. If you know of a path that would benefit from some TLC let us know – your information helps to make a difference.

Thinking of making a difference – we have a vacancy for one new councillor. If you feel you could take on the position, do contact our clerk on clerk@ecchinswell-pc.gov.uk or come along to our next meeting on Wednesday September 12th at 7:30pm to find out more about what we do. You will be very welcome!
